I was on vacation in Scotland last year.

Which is the weirdest vacation spot ever, I know. My parents were all, "Oh, we're going to go see men in kilts and eat haggis" and whatever. I went along with them, and then it was just cold and rainy the whole time, and I was SO sick of my parents! They were like, "Ooooh, let's go get a spot of tea" and all this other lame stuff with really bad fake accents, and I wanted to just be drawn and quartered like William Wallace in "Braveheart."

We were on this dumb bus tour with a bunch of other annoying American tourists, and our tour guide, Trent, was kind of hot. A little older than the guys I dated in high school, like maybe 35 or so, but pretty cute, and he had a great Scottish accent.

One night, I was sick of my parents pretending to be Scottish, so I went for a walk down this little country road. It was starting to get dark and the crickets were chirping, and I was thinking, "Hey, Scotland's kind of nice." Then, I saw someone walking toward me from the other direction. It was Trent! He was going for a walk too! We started walking together and talking, and that accent just got to me! I'm usually pretty reserved around men I don't know, but something about the way he rolled his "r"s.... All I could think about was how he must be really good with his tongue, and I kept getting distracted!

Finally, he just said, "You fancy me, don't you?"

And I was like, "Oh my god yes!"

And that was it! We were making out and feeling each other up in the middle of the rainy Scottish moors! It was so hot! It was like I was in some crazy "Braveheart" fantasy come to life! He pushed me up against a fence pole in this pasture and got my pants down, and he

had his hand up my shirt and the other hand on my neck, squeezing just a little. It was like he was this wild Scotsman and he was totally in control! I loved it!

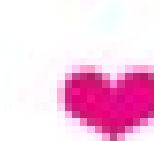

He bent me over and told me to put my arms around the post to hold myself up, and he shoved his big Scottish cock into me! It hurt a little because it was kind of big and I was pretty inexperienced, but that was

even better because it made him feel more in control! He started pushing in and out of me and he was telling me how tight my pussy was! I was so hot I didn't even mind when I felt him put a finger inside my BUTT! I never EVER let anyone do that before because it always seemed gross, but when he did it, it felt so good, like he was just having his way with me totally! And being filled up in two holes at once felt way better than I thought it would! YUM!

He pulled his dick out of me at the last second, and instead of just spraying it on the ground — he came all over my butthole! It felt REALLY good, all warm and gooey, and it made me so hot that I came, too!

After that, the vacation got better because every night, instead of sitting in the hotel with my parents, I went and had crazy Scottish farm sex with Trent! I kind of want to move

back to Scotland someday and MARRY him, but while I'm back here in the States, I guess I'd better get some more sex experience, since he definitely likes kinky stuff and I don't want to disappoint him! Anyone out there want to help me learn to be kinky for my Highlander!?

Well, in case you can't tell, I'm a dancer. I figure you guys will probably know just from looking at me. They told me that this magazine is only for adults, and adults usually are good at figuring out who's a dancer and who's not. Anyway, they asked me to be in this magazine and said it would help my dance career to get some exposure like this, so I'm giving it a try. They also told me I'm going to get to be on the cover! That's pretty great! I think this could be a really good way to get some attention!

Anyway, I've been dancing for a long time. My instructor is named Ms. Lara. She's one of those old school ballet instructors. She always wears long black leggings and a bun, and she makes me do toe lifts for HOURS every day at practice! Toe lifts are when you get into first or second position and lift yourself up on your toes and hold it, then lower back down and do it again... over and over. Toe lifts suck!

One day, I ruined a group piece we were doing at rehearsal by flubbing up my deboulé, and Ms. Lara made me stay behind to do toe lifts. It hurt SO bad! Finally, she stopped me and said, "Gianina, you are my most promising student..." in her thick French accent. "...but you do not focus! I will teach you how to focus now."

She told me to bend over the stretch bar and stare at my reflection in the mirrors. I was bent over at the waist. She ran her nails along my neck real softly. This was super weird, because Ms. Lara usually only touches us to put our legs or arms in the right positions

She trailed her nails down my back across my leotard... and over my butt! She touched my butt plenty of times when she was showing me how to hold my position, but this time was different. She kind of cupped my butt cheek, and then slapped it lightly... and then she got down on her knees behind me so I couldn't see her in the mirror anymore. "Watch your eyes in the mirror," she said. "Do not move."

I stared at myself in the mirror, and I felt her moving the crotch of my leotard over to the side! She was looking at my hoo-ha! I must have moved, because she said, "Do not move, I say!"

She moved up close. I could feel her breath on my pussy. It felt weird, but good. Then she put her fingers between my pussy lips and moved them apart. She took one finger and tickled my clit lightly. It felt SO good, but I didn't look or move. I kept staring at my eyes like she said.

"Now," she said. "Keep watching your eyes. Do not move. Do not make any noise. Focus." She put her mouth on my pussy! She kissed it and ran her tongue over it, and then licked it up and down! It felt so good! I could feel myself getting wetter, and I couldn't help making a moaning sound.

She stopped. "Focus, Gianina, or you will never learn!" She went back to licking. Then she stopped again. "Do not let yourself come yet. Only when I tell you!" And she started again, but this time, she put two fingers inside my pussy and moved it in and out while she was licking me! Oh my god! I didn't come, but it was hard! I knew if I did, she'd make me do toe lifts! I just stared at my reflection. My face was red and sweaty. "Focus..." she kept saying in between licks, until it seemed like my head would explode! Finally, she said, "Now you may come." And she sucked and licked and pounded her fingers into me really hard, and I let myself come SO hard, I fell over!

Well, I learned a lot that night. First of all, I never knew Ms. Lara was a lesbo! Plus, the old jasper never said a word about it afterward, but she has told me a bunch of times since then that my focus has improved! Go figure.

I'm a pretty normal girl from the middle of the crappiest town in New Jersey, or at least I was until a few years ago when my mom and dad broke up. Like, when I was little, we had this total-

ly happy family, and we ate dinner together and stuff. Then, when I got older, my mom and dad were always fighting and started hating each other. It made me miserable. I figured if they got a divorce I'd stay with my dad, because we were super close.

And then he LEFT! He just moved out and didn't even say goodbye! Can you believe it?! What a douchebag! I decided right then that men are assholes, and that I wasn't going to be a super-cute normal American teenager anymore! Definitely not! I was pissed off now, and I was going to show it!

I was especially pissed at my mom for letting this all happen! Whatever it was that she did that made my dad so mad, it was her fault that our family split apart! So, you know what I did to get back at her? I had SEX with her BOYFRIEND! Hah!

It took a while, because she didn't get a boyfriend right away. She's kind of fat and old so I guess nobody was interested. Finally, she met Eric, and he was okay. Kind of smelly and hairy, but whatever, he was a guy, and since now I know all guys are douchebags, I didn't really have to try to get to know him. All I knew was that I was way younger and hotter than my mom, so it'd be easy.

One morning when my mom's out running errands and Eric's drinking coffee and watching TV, I went into the living room in a pair of white panties and a tank top. I was like, "Hey Eric," and I sat down next to him and put my legs across his lap, and rested my hand on his shoulder. I could tell from the way he looked at me that he noticed how hard my nipples were under my shirt. I was excited, which was funny because at that point I'd never even HAD sex before, but I'd been practicing doing like smoking and drinking and masturbating, so I figured I'd look like a pro.

I rubbed my foot — I was wearing white tube socks — over his crotch and I could feel his cock getting hard under his sweatpants. He always wears sweatpants. He's kind of a slob. Ugh, men are so lame. When I leaned over and stuck my hand between his knees and grabbed onto his cock through his pants, he said, "Fanny, this isn't appropriate." I just squeezed my hand down over his dick and he shut up. I straddled him.

I was like, "Shut the fuck up, retard. I don't care if it's appropriate." And then I kissed him! I was so ballsy!

His breath was bad — coffee and cigarettes — but the feeling of his dick under his pants pressing against me was really good. It was like the pressure I used with my hands when I felt myself up. I ground up against it to feel it better and I could tell my pussy was getting wet. He

started grabbing at my boobs and pushing up against me and I knew he totally wanted to DO me!

So I reached around behind me and into his pants and just pulled out his cock — he wasn't wearing underwear — and I moved my panties to the side and just sat right down on his dick! You know what? It was pretty big! I was surprised! I mean, I don't have much experience, so maybe it wasn't really that big, but it FELT huge inside my snizz! It kind of hurt at first, but I was so wet and ready for him that after a few seconds, when he started pounding into me while I balanced on top of him, it felt GREAT!

I was really getting into it and rocking my hips and stuff, and just then we heard my mom's car pull up outside! I wanted to get back at her by fucking Eric, but I didn't want to get CAUGHT, so I jumped up off him... just as he was spraying his load! Oops! It went all over the front of his pants and on his shirt — it was a really big load! I was like, "Sorry, man!" and ran back to my room.

When my mom came in, she saw the mess all over him and thought he was just jerking off on her couch. He didn't tell her the truth, but she got really mad about what she thought he did and they got in a huge fight anyway. Hahaha! Serves them both right!

Well, the people at TIGHT wanted me to talk about my sex life, but the truth is... I'm still a VIRGIN!

I know, I know, it's sooo lame to be 18 and never DONE anything like that, but the truth is that I've always been a good girl! I got good grades in high school and didn't drink or party, or anything like that. But, you know, I realized lately that I'm kind of bored! So, I started listening to rock music and getting on the Internet to meet new people... and instead of meeting new people, well... I found Internet porn!

At first, it freaked me out because it was so crazy and extreme, but I figured out pretty soon that watching some things really turns me on. I didn't even understand what it felt like to BE turned on until one day I was watching some threesome porn with two guys and a girl and I realized that inside my pants, my you-know-what felt all swollen and was pulsing with my heartbeat! So, I put my hand down my pants to touch it and make sure it was okay, and it was ALL wet down there! I kind of got scared that something was wrong, so I took off my pants and touched it again to see if I was bleeding or something... and it felt SO good to touch myself there! I never had done that except for washing myself in the shower before, but this was totally different. It was like my body had been waiting for me to do this my whole life! I touched my outside parts for a little while, and then I put a finger up inside the wet hole, and... WOW! It just felt SO good!

Pretty soon, I figured out that if I moved my hands just right, I would like... I don't know, kind of melt into goo and then suddenly — BAM! — I'd explode! It was like I could feel myself get really tense all over, my muscles would all get hard and tight, and then slowly they'd start to relax. The places I was touching between my legs would feel like they were about to catch on fire because they were so hot, but they needed me to touch them more... and then all at once, everything would go black and I could feel waves of heat and cold and just... like... the best feeling I've ever had in my LIFE would roll over me.

Of course, I started doing that ALL the time as soon as I figured it out. I started using other things to help me instead of just my fingers, like the handle of a hairbrush, my electric toothbrush that vibrates, and especially the showerhead! Oh my gosh, the showerhead is the BEST!

So, finally I told my friend Rachel about it because she wondered why she hadn't seen me in a month! I told her I'd been at home... you know... masturbating! She told me that if I met a guy who knew what he was doing... He'd be even better than my showerhead! She gave me the number of TIGHT magazine and told me to call and get my pictures taken, and that I'd be sure to meet lots of guys that way! So, here I am! I had a lot of fun touching myself for the cameras and I hope you guys like it!

Oh my god you guys! My parents got me the coolest graduation present ever! When I graduated high school they said they couldn't afford to send me to college, so instead they were buying me freedom. I was like, "WhatEVER, you old hippies," but then they gave me a CAMPER! My very own RV for going on road trips! Can you believe it?? How cool is that!?

I decided I'd learn more out on the open road than I could in college, so I set out to see what the world had in store for me! I decided to drive across the country all alone and see what happened.

Well, I'll tell you what happened. I learned a LOT about what goes on in campgrounds across the country, and in road-side pull-offs off small country roads, and it is fuh-REAKY! And totally hot!

One night, I pulled off at this little rest area to sleep. Way out in the middle of Buttfuck, Kansas or something. I was eating some crackers and getting ready to go to bed when I looked out the window and saw all these men standing around a car. At least six of them!

It was hard to see in the dark, but it sure looked to me like they were all... like... masturbating! Then they moved around, and I saw that there was a woman in the front seat of the car they were standing around! She was totally naked and she was just having sex with ALL of them! Like they were taking TURNS at it! She was sucking on cocks and letting them go in her pussy and ass and stuff!

It was the scariest, creepiest, HOTTEST thing I ever saw! I didn't know what to think, but I ended up rubbing one out in my camper while I watched them! Of course, then I felt totally grossed out and was afraid they'd notice me, so I drove away as soon as I was done!

But then, the next night, I pulled off somewhere in Colorado and started thinking about what I saw, and I got all hot again! So... well... I sat in the driver's seat and started masturbating! I mean, come on! There were no other cars in the rest area, and it was the middle of nowhere late at night! Who was gonna' catch me?

Well... Somebody totally caught me. Suddenly, there was a knock on my window, and this guy was looking in at me, watching me touch myself! I opened the door, but I didn't say a word. Just pulled down my pants and stuck my butt out the door. He didn't say anything, either. He just dug his hard dong inside me and had quiet, anonymous sex with me! It was so wrong and gross, but it felt SO good! I had three orgasms before he finally pulled out, came on the ground with a loud splat, and walked away.

I was freaked out after that, so I drove away, and I never did it again. Now, I keep thinking about it, and how much I want to have sex with another stranger... So I thought maybe going in TIGHT magazine would be a good way to meet some... you know... fellow travelers!

I grew up in a teeny town in New Hampshire. It's cold here, and boring. I always knew I was going to be different and get out of this town, and I was going to be an artist to get famous! So, I've been doing art my whole life. I love watercolors and acrylics, especially. I paint abstract paintings that portray my emotions.

My art teacher told me I was really good, and I used to win prizes at art fairs. But then, when high school was over, I was like... Well... Now what do I do? How do I get rich at being an artist?

So, I went to see my old teacher and asked him. He said he knew some artists nearby so he'd hook me up with them. He called this guy Greg who draws portraits, and we got together at his house to talk about art! Greg was cool. Way older, with grey hair in a ponytail. He smelled kind of like alcohol, but he was really nice. He showed me some of his drawings. A lot of them were of naked women!

He said, "There's nothing more beautiful than a naked woman, and I love beauty in my art. A lot of my models are artists who also appreciate beauty. Do you appreciate your own beauty, Taylor?"

And just like that, I was posing naked for Greg in his living room! I never did anything like it before, but he said I was beautiful and I should experience my own beauty before trying to create it. He was so, um... wise!

He drew some sketches of me, but then put down his paper and said, "Taylor, as a man who loves beauty, I am taken by your sensuality. Would you mind if I showed you my appreciation, physically?" I

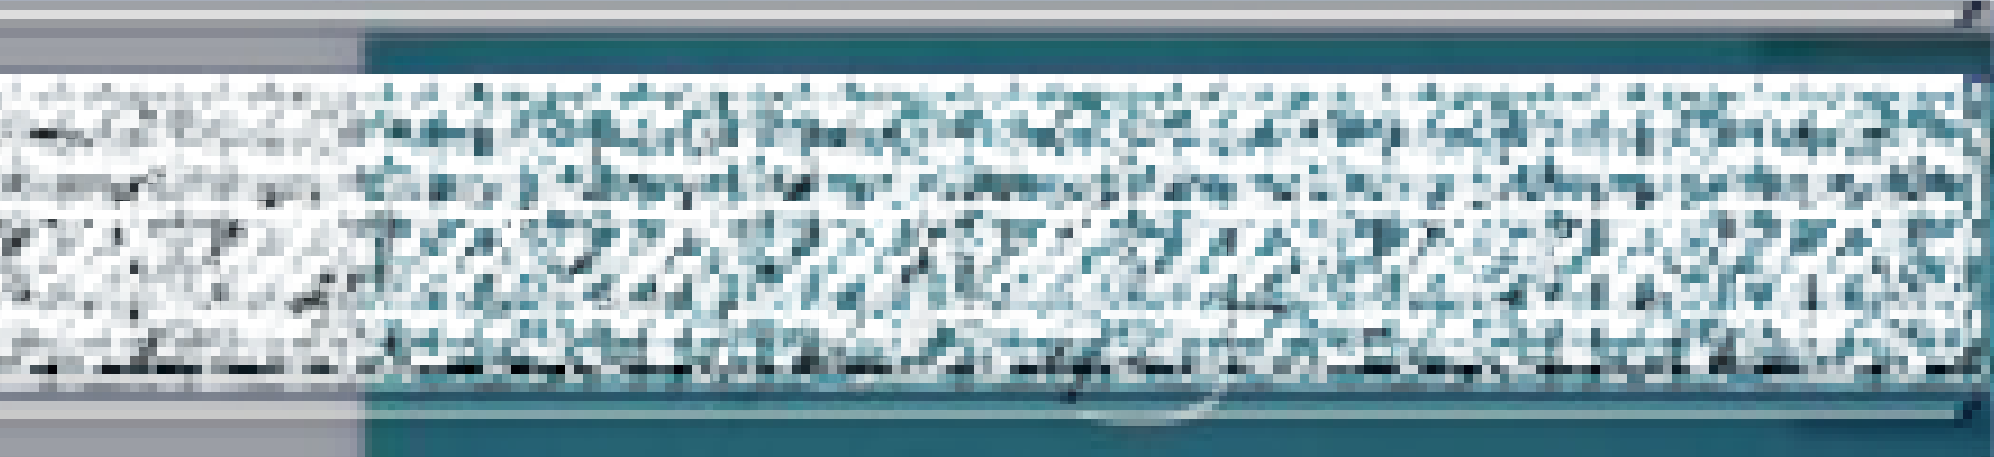

was like, "Um... okay." I didn't know what he meant!

Well DUH, I should have figured it out, but I didn't realize it till too late! He took out his old veiny penis from his jeans and started rubbing it! I didn't want to offend him, so I let him look at me and rub it until it got hard, and then he asked me to use my beautiful artistic mouth on it! I put my hand on it and wrapped my lips around it, and he groaned and it got harder! It was kind of little and I could fit the whole thing in my mouth. He liked that! He started calling me "his muse" and pulling my hair to get his dick as far in there as he could, until I almost choked!

Then, he rolled me onto my back and stared into my eyes and put his penis inside my vagina! I gasped, because he was this OLD guy and we were having SEX, but he whispered to me that I inspired him to greater things, and then he got all stiff and shot a whole bunch of warm stuff inside of my pussy! It was... Well, it was weird, but I was flattered that he thought I was so inspiring!

Anyway, Greg said that the best way to start as an artist is to BECOME art for as many people as possible, so he called the guys at TIGHT to help me launch my experience of being beautiful! Hope you guys think it's working! Someday I'm going to be way famous and you'll all know who I am already because you saw me in this magazine!

Well, it's weird how I got to be in TIGHT magazine!

They told me I should talk about my sexual experiences, but I don't have many. So, instead, I'll tell you how I got to be here... it's kind of sexual.

So, I'm from Salt Lake City. My family is all Mormons. They're pretty normal, not like those cults with multiple wives and stuff on TV, but I grew up conservative in a big family and stuff. We're all blond! Until about a year ago or so, I was okay with being this good little girl and never doing anything bad! I loved going to church and doing all the stuff that our sect did, and I wanted to get married as soon as possible and have kids.

The only thing was, I was having trouble finding a boyfriend! See, I -had really little boobs. I know, it doesn't look like it now because now they're huge! But I swear, I had little A-cups my whole life!

I met a guy who liked me. He'd come over to our house for dinner and we'd watch movies, and sometimes we'd drive off into the desert and watch the stars, but we were both good Mormon kids and didn't do anything sexual!

So, one night, we were out in the bed of his pickup truck looking at the moon, and I SWEAR we saw these bright lights come down out of the sky and hover over us! The last thing I remember is holding onto my boyfriend and seeing a big black shape behind the lights getting closer and closer to me!

The next thing I knew, I was straddling my boyfriend and having totally CRAZY wild sex with him in his truck! I freaked out because I knew I shouldn't be doing it, and I was scared because I didn't remember how I got there, and I thought he'd drugged me! Then I realized —

this feels good! I felt full inside, and wet and hot and free, all at the same time! He looked surprised, too, and I think he felt the same way I did — but kept going, too excited to stop. Pretty soon, I felt all my muscles clench together and it was like those lights were in my eyes all over again, except this time, I had my eyes close and it was just inside my head, and my body!

After that, though, my boyfriend got freaked out. He said he didn't remember what happened and I must be some bad girl to have done that with him. The kind he couldn't marry. I felt weird about it, too, so we broke up.

But then... in the next few months... my BOOBS started to grow! I'm not making this up! I started having dreams about being on... I swear! On a spaceship with ALIENS who were taking off my clothes and touching me down there, and making my crotch get all excited! I think they took me onto their ship that night and got me turned on and set me down again... and they must have planted something inside me to make my boobs grow! Seriously, I have D-cups now, and a year ago, I barely even had A-cups! If it wasn't aliens, what could it possibly be?

Anyway, even if you don't believe me about the aliens, believe me about this: that stupid boy told EVERYONE about what happened in the back of his truck, and now nobody in the community will EVER want to marry me because I'm damaged goods. So, here I am! I want more sex, and I want to show off my pretty boobs!

It's gonna' sound like some ridiculous romantic comedy when I say this, but I'm totally one of those "dorky to delicious" girls from high school. Seriously. I was a COMPLETE dork. I was on the debate team. I wore huge glasses, pulled my pants up too high, and never wore anything fashionable, and I studied instead of partied. I was a total loser.

Then, we went to this debate tournament and went up against this team that kicked our asses, and the captain of the other team was like the hottest guy I'd ever seen. The kind of guy that's usually on some sports team and banging all the cheerleaders, you know? The kind of guy I'd never talk to... except he was obviously smart and really good at debating. I couldn't believe it! I was STARING at him the whole time and I lost my round because of it. He was so sexy!

That night at dinner in the hotel restaurant I saw him from across the room and totally just stared at him again, and he came over and said hi, and... wow. What a cool guy! He made me feel beautiful for the first time in my life and he made me realize... wow, I AM beautiful!

We ended up back at his hotel room. He told me he was going to show me just how special and beautiful I was! I was so excited, like, I'd never thought ANY guy would ever like me! I was so lucky!

He said, "I don't usually let girls do this because most of them are really bad at it, but you're so good at debating, I know you're good at using that pretty mouth for other things." Then, he took off his pants. I didn't know what to do! I had no idea how to do THAT! I'd never even SEEN a guy with no pants before, but I smiled. I wanted him to think I was cool. His penis was big and hard, and standing up against his stomach. I was sitting on the bed. He said, "Open your mouth." I did.

He just shoved it in! I didn't have to do ANYTHING. He just put it in my mouth and started rocking back and forth. It was kind of weird, but it wasn't bad. Then he started doing it harder and deeper until I was gagging and there was spit all over my face! I thought there was no way he could LIKE that, because it looked gross and I was making all these choking noises, but when I looked up at him, he was LOVING it! He was groaning and saying, "Oh that's so good, that's right, you're my little star."

Eventually, he stopped and stood still with his penis hitting me WAY in the back of my throat, and the whole thing kind of pulsed inside my mouth, and suddenly, all his semen came out into my throat! It almost choked me! I gagged, spat and coughed, and he laughed and went into the bathroom!

When he came back out, he threw me a towel to wipe my face and said I was the coolest girl he'd ever met.

So, I was cool now. I started dressing sexier after that, and I got contacts instead of glasses, and I quit the debate team because they were all nerds and gaylords. Now I'm in college, and I give oral sex all the time to show how cool I am! All the guys love me!

Okay, the guys said I should talk about some sex experience I have.

So, a few weeks ago I went to visit my grandparents in Hawaii. I got a fabulous tan! But a whole week in your grandparents' house is SO stifling. By the time I left, I was like, "Ugh!" I felt like I had to get something out of my system and just do something really BAD to unwind!

So, when I got on the plane back and spotted this hot flight attendant, I knew what I had to do. I totally had to make out with her! Every time she came by with drinks and snacks, I made sure to make eye contact, and pretty soon she caught on that I was into her, but then I didn't know how to proceed. Like, on a plane? Where could I get a minute alone with her?

I went to the bathroom to think about it, and she came out of nowhere, grabbed my hand, and pulled me into the bathroom! She grabbed my head and kissed me like she'd been wanting to do it for YEARS. Her tongue went inside my mouth, and she bit my lower lip and then she pushed my head away and made a "Shhhh" sign with her finger. She sat up on the tiny little bathroom sink, propped one leg up on the toilet lid and the other on the door handle. She was wearing a cute little skirt/blouse outfit like most flight attendants do, and she had it hitched up over her hips — and she was not wearing ANY panties! Her pussy was all wide open, and it was shiny and so wet it got me wet just looking at it! She had just a little bit of dark hair right above her clit, but the rest was all shaved smooth.

She grabbed the back of my head and pushed me down so I was

on my knees in front of her cunt, and she smooshed my face into it! I stuck out my tongue and started to lick, and she ground herself onto my face, pushing against my mouth hard. She made a quiet little strangled noise without opening her mouth, and her eyes were closed while she pressed her cooch into my face. My nose was smashed up into her bush hair and my tongue was moving really fast over her clit and into her pussy. I couldn't even breathe!

But it didn't take long! She did that for just a few minutes before I felt her get even wetter and all of her muscles tensed. She was coming all over my face! It was SO hot! When she was done, she stood me up and whispered, "I have to go back to the customers or I'll get in trouble. Why don't you rub one out for yourself thinking about what we just did." She then pulled her skirt down and left!

Well of course, I was SO horny after that! I masturbated in that bathroom like three times, and as soon as I got off the plane I went to a newsstand and found a magazine that looked like it would take a young girl like me. I found TIGHT! So, I called and asked if they could hook me up with another girl my age to have sex with in pictures, and they introduced me to Jenny! Isn't she so cute? I love her blond hair and shaved pussy! I think maybe I'll be a model for good now — I had so much fun licking Jenny's pussy in front of the cameras and all the horny guys!
